Comments:

1. Footpaths clearly marked throughout. However, footpath beyond Thrussington Boundary can be a little difficult to follow in places (as described below).
2. Footpath through Regent St, Wreake House Farm to Parish Boundary clear and easy to follow. Wreake House Farm paddocks may have horses – take care.

Some good views across valleys

3. At Parish boundary footpath signs are clear but footpaths had been ploughed, if going to Hoby you can only see footpath marker from bottom of hill. In the middle of the field travel straight on for Ragdale and Ragdale Hall. There are many footpath routes around Ragdale and can take you back to Hoby.

4. Follow signs to Hoby, should emerge on Church Lane Hoby. Follow Church lane to Main Street and walk towards Church. Around the corner can follow Brooksby Road and come across two or three footpath routes back to Thrussington. However, I walked back along the main Hoby Road, The Green and Regent St.
