

Thrussington Neighbourhood Plan

Introduction

- 1. Why we need a NP
- 2. The steps
- 3 What next
- 4 Questions

1. Why we need a NP

- Statutory document
- Provides a document that the council can use as a future plan for Thrussington. Proactive rather than reactive
- Plan future of village
- Identify and protect green spaces and conservation area
- Identify areas with potential for controlled development
- Identify plans for, for example, car parking and children's recreation areas
- Helps to prevent both Charnwood and developers deciding to build without consultation

STRENGTHS Commitment from village Commitment from PC Can set precept for this as PC is a tax raising body Legal requirement for local council to support Greater relevance to the community Community involvement	OPPORTUNITIES Greater control over decisions made about the village Statutory document Produce a document before it becomes necessary or mandatory
WEAKNESSES Time as a resource Costs	THREATS Commitment from village If not in place Charnwood plans would take precedence Developers

2. The steps
