

Footpath 1: Regent Street – Seagrave Road – Footpath – Ratcliffe Road – Regent Street

Date: 16th June, 2017

Duration: 55min Walked by: M Thistlethwaite

Comments:

1. Footpath clearly marked throughout.

2. Footpath through fields clear and easy to follow.
3. Footpath across one little wooden bridge still slightly overgrown.
4. Footpath through first wooded area very overgrown with nettles and brambles – difficult to go through.
5. Second wooded area even more overgrown and difficult.

6. Final field before Ratcliffe Road full of calves again and blocked by an unmarked electric fence. Managed to get through. Later complained to farm, they had already had a letter from Charnwood asking them to sort.
