33. P8. Add new section 1.8. “1.8. The Neighbourhood Plan will last until 2028. During this time it is likely that the circumstances which the Plan seeks to address will change.  
The Neighbourhood Plan will be regularly monitored. This will be led by Thrussington Parish Council, in conjunction with Charnwood Borough Council as the local planning authority, on at least an annual basis. The policies and measures contained in the Neighbourhood Plan will form the core of the monitoring activity, but other data collected and reported at the parish level which is relevant to the delivery of the Neighbourhood Plan will also be included.  
The Parish Council proposes to formally review the Neighbourhood Plan on a five-year cycle commencing in 2022, or, to coincide with the review of the Charnwood Local Plan, or in the event of significant changes in circumstances, such as an increase in housing need.”

All other documents in process of preparation by UI. Environmental assessment received. Technical baseline believed to be in place.
