#### Comments:

Combined both walks by walking from Regent Street to Hoby and returned to Thrussington Mill and from there to Rearsby Village and back to Regent Street using all the footpaths within the village. Unfortunately forgot to charge my camera but it was a beautiful autumn day.

1. Footpath clearly marked throughout.
2. Footpath through fields clear and easy to follow. Turnips about ready for harvest!
3. All the footpaths within the village except between Church Lane and Rearsby Road near the Church are showing signs of weeds beginning to get out of control. Especially at the rear of the Star.
