1264/2024 - Public Forum – 10 minutes

Members of the public were asked to declare their name when addressing the Chair if they wish for their name to be minuted in this section of the meeting, if they did not want their name mentioned they need not declare it.

- A member of the public asked if the parish council are satisfied that the resident on Old Gate Road is not going to live there and that the property is now on the market. The resident raised a concern about the field on the opposite side of the road and whether that was going to be used to make it easier to get in and out and for site traffic. The chair commented that a letter has been sent to Charnwood Borough Council and the Environment Agency from the parish council raising the concerns of residents regarding the conditions of the planning application. Cllr Young asked if there is anything to protect the area as a feature of the village.
- A member of the public asked whether it would be possible to use the phone box as a book swop. Councillors discussed the request and agreed that because there is already a book swop in the village hall that that facility should be used. It was agreed that the book swop at the village hall should be published with access times.

1268/2024 – Planning applications

- P/24/773/2 – erection of a two storey dwelling/house at land adjacent to 18 Seagrave Road, applied three times and appealed and dismissed and our comments would remain the same, access from the building onto the road, outside the settlement boundary, does not enhance the street view, disturbance of wildlife. Councillors agreed to submit an objection based on no parking.
- P/23/0406/2 – erection of 9 houses off Hoby Road, appeal underway and is expected to take 6 months, objection statement already submitted to the appeal and CBC proposing that it is dismissed. It was noted that CBC failed to tell the landowner within the appropriate time.
- P/23/2281/2 – proposed development of leisure complex off Hoby Road. It was noted that this is at pre application stage but thoughts are that it would create too much disturbance within the village. It was noted that a previous application for a single dwelling on the same site had been refused.

- The clerk circulated a copy of the Charnwood Borough Council Flood Scrutiny Panel minutes to councillors. Cllr Woodward confirmed that she would provide a further update.
